DO YOU HAVE AN ALLERGY?

You must speak to your server or duty Manager if you have any allergies or specific dietary requirements. We have a comprehensive allergen guide to help you make the right choice for you. **Please ask our team on how to access our allergen guide and ensure that you read it before you place your order.**

If you have further questions please speak to the Manager on Duty. We do not declare every ingredient used within a dish on this menu, and recipes may be subject to change. We'll do our very best to accommodate you, and whilst every effort is made to minimise cross-contamination, our ingredients are manufactured, and our dishes are prepared in environments where allergens are present. We cannot therefore guarantee that any item on our menu is 100% allergen-free. Our burgers: we prefer our hamburgers cooked medium, so they are perfectly juicy, but of course it should be up to you. The Food Standards Agency has asked us to point out that burgers cooked rare and medium rare carry a higher risk of food poisoning. Unlike a steak, a burger needs to be cooked through to reduce that risk. The Food Standards Agency recommends that children, pregnant women and anyone with a weaker immune system have their burgers well done.

- CLICK HERE TO READ THE ALLERGEN GUIDE -

Please email us at hello@byron.co.uk for more information.

Please note that all bourbon products on our menu may contain alcohol. Drinkaware.co.uk
